A slice of Blue Ridge heaven just minutes from Crozet shopping, schools, restaurants yet it feels like miles away. Updated, improved, and beautifully maintained by current owner. One level living, finished terrace level, chicken coop, studio workshop, gardens, 360 degree mountain views, this property truly offers it all! You'll love the hardwood floors and extensive moldings throughout. great room features wood burning fireplace with slate surround. Gourmet kitchen features white cabinets, granite counters with stainless appliances. Light-filled sunroom or huge screened porch are the perfect spots to relax with a book. Escape to the spacious master suite, with private ensuite bathroom and walk-in closet. Two additional bedrooms and a full bath on the main level too. Downstairs the huge walk out terrace level with new luxury vinyl flooring leads to two additional bedrooms. Don't miss the detached studio/home office for a true retreat. Over 1500sqft of organic garden space, egg-bearing chickens with coop, three garages and more!
